in their life into a portrait forever.

Please get in touch to discuss how
I can create portraits for your
Nursery or School.

Graduation Portraits

A Graduation Ceremony is a big event even for Nursery Children. Help them mark the occasion with a formal Graduation Photo to commemorate the end to their Nursery journey. Gowns, sashes and mortarboards are supplied by Gingerbread.

Graduation Photos can be taken during your Summer shoot and can either be made available with these images or can be made available for when you have your Graduation Ceremony.

As well as individual photos you could choose to have a group photo of all the leavers together. This could be a formal group photo, year book style or a modern composite panoramic print.

Leavers Hoodies

As the leavers head off for the next part of their education journey they can do it in style with a Leavers Hoodie.

Complete with the Nursery logo on the front, and a choice of designs on the back. These come in a variety of colours to match your Nursery colours, and are available in two sizes.

All of the children's images can be accessed using a unique QR Code Proof Card.

They then simply add the images and print packs they would like to order, submit the order and payment, then their order is printed, quality checked, packed and can then either be dispatched direct to them or you can choose to have them sent direct to the Nursery.
